LIIA Annual Plan 2022/23

LIIA Core

Project	Theme	Specific Deliverables	Outcomes for children
Peer Challenge & Review	Collaboration Data Insight	Challenge review and practice development to provide improved self-knowledge for LAs and identified steps for improvement. Capturing common themes and learning for sub-regional and pan-London activity. Developing a toolkit for peer review to enable LAs to take forward exercise independently. Five Sub Regional Peer Challenge events. Two Peer Reviews annually.	Effective practice sharing and learning to improve service delivery, inspection judgements and outcomes for children.
Networks and Boards	Collaboration Innovation	Support, facilitate, administrate, and add value to various networks and boards aligned to LIIA's priorities for ALDCS.	Effective practice sharing and learning to improve services for children. Collaboration to make impact on agreed priorities.
Quarterly Benchmarking	Data Insight	Deliver benchmarking data on a quarterly basis to incorporate the ADCS 24 changes into the data model and support and facilitate the returns from London LA data partners.	Improved strategy and providing insights to LAs.
LIIA Summit	Collaboration, Innovation	Host LIIA Summit in Autumn 2022	Representing the impact of pan-London collaboration Influencing the National agenda with pan-London agreement.

LIIA is London's Regional Improvement and Innovation Alliance (RIIA) and works with the ADCS, London Councils, Department for Education, the Local Government Association (LGA), the Society of Local Authority Chief Executives (SOLACE) and the eight other RIIA across the country to promote learning through collaboration which benefits children.

LIIA Annual Plan 2022/23

LIIA Targeted Projects

Project	Theme	Specific Deliverables	Outcomes for children
Care Leavers' Compact	Innovation, collaboration, data insight	Agreements across transport, housing, health, leisure, mentoring, and ETE for London's care leavers.	Improved life chances for some of London's most vulnerable young adults though a consistent and high-quality offer of support.
Health	Collaboration Innovation	Support ICS transformation and engagement, and support resource arrangements	Strategic influence and improved integration in the development of the ICSs so we can jointly improve outcomes for children.

LIIA Annual Plan 2022/23

LONDON INNOVATION & IMPROVEMENT ALLIANCE

SEND

Project	Theme	Specific Deliverables	Outcomes for children
Improving outcomes for children with ASD/SEMH	Data Insight Innovation Collaboration	Research experiences of children with ASD/SEMH. Commissioning services for children with ASD/SEMH.	Improvement in local pathways, provision and outcomes for children with ASD/SEMH. Jointly commissioned services, both across London and in partnership with Health.
Developing a Data Dashboard for London	Data Insight Collaboration	Take a phased approach to creating a data dashboard Raise awareness and increase use of existing data tools and systems.	Detailed knowledge of the SEND cohorts and data to support ALDCS members in delivering services. This will improve the quality of care for children with SEND.
SEND Summit 2022	Peer Challenge and Review Collaboration Innovation	Hold SEND Summit in 2022 with pan-London participation. The summit will gather feedback on the National SEND Green Paper.	Influencing the National SEND agenda with pan-London agreement.

LIIA is London's Regional Improvement and Innovation Alliance (RIIA) and works with the ADCS, London Councils, Department for Education, the Local Government Association (LGA), the Society of Local Authority Chief Executives (SOLACE) and the eight other RIIA across the country to promote learning through collaboration which benefits children.

ICS Engagement	Collaboration Innovation	Engage ALDCS in pan-London approach. Develop links with good practice nationally e.g. West Yorkshire and Harrogate ICS. Hold SEND focused meetings with each ICS to review developing strategies for SEND. Develop system maps with two ICSs, setting out approach to SEND, key priorities and links with wider ICS system. Promote system maps to all ICSs through dissemination workshop.	Strategic influence in the development of the ICSs so we can jointly improve outcomes for children with SEND. Improved integration of offer including therapies, mental health support and early assessments.
Preparation for adulthood	Collaboration Innovation Peer Review	Develop Preparation for Adulthood practice in six local authorities Shape Preparation for Adulthood Conference. Complete a Peer Review on Preparation for Adulthood.	Improved employment opportunities, housing and quality of life for children, young people and adults with SEND.

LIIA Annual Plan 2022/23

Resources and Commissioning

Project	Theme	Specific Deliverables	Outcomes for children
The Pan-London Vehicle	Collaboration Innovation	Report on Collaborative Commissioning in London by FutureGov. Creation of the Shadow PLV with shared vision and leadership for the full PLV.	More London provision for London children, with improved outcomes and reduced cost.
Under-utilisation of London provision	Data Insight Innovation	Research into current usage of London provision by London's children. Actions agreed to increase local uptake of London provision.	London's children will be access provision locally, reducing cost to LAs and improving children's overall outcomes.
Pan-London Sufficiency tool	Data Insight Collaboration Innovation	Pan-London data sharing arrangements agreed across sufficiency, provision and finance.	Address sufficiency challenges in HCLI provision and improve forecasting pan-London.
Pan-London Residential Parenting Assessments	Collaboration Innovation	Support mobilisation of joint commissioning arrangements and block contracts.	Reduce costs to LAs for Residential Parenting Assessments and so improve outcomes.

LIIA Annual Plan 2022/23

Adolescent Safeguarding

Project	Themes	Deliverables	Outcomes for children
London Adolescent Safeguarding Practice Guide	Disproportionality Collaboration	Creation of an adolescent safeguarding practice manual.	Greater consistency in practice across London and better information sharing for children moving between boroughs,
Your Choice	Disproportionality Data Insight Innovation	Mobilisation of Your Choice across 32 LAs. Agreement of effective approach to evaluation through the pilot	Practice development by upskilling practitioners across London. An enhanced offer to young people affected by violence promoting their safety.
MACE Review	Peer Review Collaboration	Review of London multi-agency child exploitation (MACE) arrangements in each LA	Consistent approach to multi-agency child exploitation arrangements across LAs which promote adolescent safety.

LIIA is London's Regional Improvement and Innovation Alliance (RIIA) and works with the ADCS, London Councils, Department for Education, the Local Government Association (LGA), the Society of Local Authority Chief Executives (SOLACE) and the eight other RIIA across the country to promote learning through collaboration which benefits children.

LIIA Annual Plan 2022/23

Workforce

Projects	Themes	Deliverables	Outcomes
London Pledge	Collaboration Peer Challenge, Disproportionality	Securing commitment from all LAs to mobilise a pan-London pledge to work cooperatively and transparently to manage the agency market for children's social workers.	Consistent approach to agency engagement in order to improve quality and stability of service.
Leadership in Colour	Disproportionality Data Insight	Expand the programme's remit across all role levels of workforce. Develop rich data to inform wider pan-London anti-racism and disproportionality priorities.	A culturally competent and representative workforce delivering services for children.
Microsite	Collaboration Innovation	Development of a pan-London microsite committed to disrupting the market through targeted advertising and direct engagement with the social worker workforce.	Providing a platform for collaborative initiatives to consistently represent social work in London and raise the image of the profession, to reduce advertising costs and strengthen the workforce.
Workforce Strategy	Collaboration Data Insight Innovation	Develop a recruitment and retention strategy to leverage existing initiatives and maximise engagement. Develop a toolkit that can be utilised across key areas of resource need in children's services.	Strengthen permanent workforce and deliver stability of services for children.

LIIA is London's Regional Improvement and Innovation Alliance (RIIA) and works with the ADCS, London Councils, Department for Education, the Local Government Association (LGA), the Society of Local Authority Chief Executives (SOLACE) and the eight other RIIA across the country to promote learning through collaboration which benefits children.
