"Barnardos has helped me a lot when I have any hard times and worries, they are like my family"

"I feel happy in my home and enjoy having my own space."

"You said that you prefer your current accommodation as you it is quiet area with good transport links. You had a chance to meet your neighbours and you said that they are friendly. You also like it because it is a semi detached house and you live with your brothers only"

"Barnardos push me to do more and more, especially when I feel lazy. I am happy they care about me and want me to do well"

All three young people have a close bond with is obvious as they genuinely display signs of affection to each other and are enjoying learning each other's different languages.

"I am very happy that I have had a support worker during lockdown, as they have reminded me to keep positive and working hard even when things are difficult"
